Dear Families,

It was so lovely to welcome back all the children after the Easter break and to hear about all the exciting things that they did over the holidays. The children have all settled well and are working hard to show our school values of Respect, Resilience and Aspiration. In Early Years, the children have been reading Jack and the Beanstalk. Inspired by this traditional tale, they are watching beans sprout and have been out in their garden planting lots of different seeds: sunflower, cress, carrot and daisy. They will enjoy watching these grow and taking care of them over the next term. Year 3 have also had a very exciting week hunting for a dragon egg, following the clues left around the school. They found the most spectacular egg they had ever seen; it was purple with golden cracks. During the day, the egg hatched and the children were delighted to see a baby dragon inside. I am especially proud of Year 6 who have come back from the holiday with such a positive and hardworking attitude. They have been very focused on their learning this week and are such great role models for the rest of the school.

Warm regards, Mrs Gibbs

Safeguarding Spotlight

Understanding Consent: What It Means for Children and Young People

Last year, this photo made headlines and brought consent to the forefront. Consent is giving your agreement freely, after fully understanding what you're agreeing to. It's important for children to understand what this means for them, how to ensure they have consent from others, and how to say no if they feel uneasy.
