

Sport:

Tri Golf Festival

Date and where it happened :

This festival took place in the main hall on the 27th November 2018

Rules and scoring system:

Rule 1 - if you used your feet you were disqualified.

Rule 2 - you had to keep putting until you made contact with the hoop.

Final rule - you had to play the ball from wherever the ball stopped.

The scoring system was simple; all you had to do to win was to putt the ball in the least amount of shots. The children's scores were then added up with the winning child being the one who had the least amount of shots in a round.

How many children took part:

The Tri Golf festival had 37 children take part

What did the sports captains do:

Sports captains were leading each hole and counting how many shots each child took. They were also taking photos.

Scores

In 1st place with an amazing score of 14 was Jack P, in close second with 16 was James A and in 3rd with a score of 27 was Harry R.

Well Done Jack P and amazing effort shown by all.
